Thanks Jeff, I am very supportive of the Palestinian cause but the proposed resolution did not have the support it would need to pass or even come forward on the agenda as written. I hope to work with the proponents and the opponents as well in the future to find an appropriate way for the council to speak out on this issue and make a positive contribution towards peace and justice for both Palestinians and Israelis.

I'm always happy to meet and discuss this issue or any other, in person or by phone as you prefer.

All the best,

I can't find any statement by you on this matter and just wanted to urge you to take seriously the possibility of the adopting the HP boycott measure. This is a time tested political and economic strategy that reaches back at least as far as the Kosher Meat Strike of 1902 when Jewish women on the Lower East Side boycotted butchers who had raised their prices in collusion. As an American Jew I'm inspired by this early action and committed to taking any action in the present that might, even in a small way, represent an acknowledgement of the humanity and equal rights of Palestinians.
